SINKWARE

STAINLESS STEEL EXCELLENCE
2018

Santorini Sinkware has developed a sink range with sophisticated European contemporary design ethos, that makes them timeless.

A range to suit everyones budget and taste, we have packed in features and design continuity, to make it easy to select just the right sink for every possible home and budget.

CONTENTS

02

Delta Range Handcrafted 1.0mm

Engineered and manufactured from 1.0 mm 304 grade 18/10 Stainless Steel complete with 10 mm tight radius corners, this range is created for the design conscious who are on a budget! Straight lines and bold styling with a superb Satin finish that is both stylish and understated. Clips provided.

09

Titan Range Handcrafted 1.2mm

Handcrafted to exacting standards, this range exemplifies value, style and sheer good looks. Heavy gauge 1.2 mm 304 grade 18/10 Stainless Steel, this refined range has one to suit every situation. Stylish, durable and flexible this range makes a clean, sharp and bold statement in any ones home.

16

Centro Sink Packages Handcrafted 1.2mm

Using the same features of a Titan Range Handcrafted 1.2mm sink, these sets come complete with the following accessory inserts:

- Roller Mat
- Small Removeable Bowl
- Drainer Tray
- Sapele Mahogany Chopping Board

18

Atlas Range Pressed 0.9mm

Economical and classically curved with a great range of accessories. This range has a sink for every situation. Most sinks feature the laser edge design, and with our range of accessories there is no shortage of sink workstation options. All sinks feature .9 mm 304 grade 18/10 Stainless Steel pressed construction with Satin finish, sound deadening pads and designer wastes.

23

Tapware

Stylish yet simple, our range of tapware features all ceramic disc technology that is "Wels" rated and "Watermark" approved to meet the most stringent world standards. There is a tap here to meet everyones taste and style.
