

Tekform Drawer Lifetime Warranty

The Tekform drawer carries a 50,000 cycles lifetime warranty on the quality of material composition and function for the period that the original purchaser owns it.

Hardware and Handles will not be held responsible for drawers, which are or have been subject to misuse, incorrect fitting and/or usage that the drawer was not designed for.

Warranty terms and conditions:

Hardware and Handles is liable for the quality of material, composition and function of its drawer for all the time the original purchaser owns them. Hardware and Handles is willing to replace the defective product subject to this warranty without charge, but will not cover the costs of removal of the defective drawer and the installation of the replacement parts.

Hardware and Handles cannot be responsible for the damage caused by incorrect installation, excessive load and any use other than advised in Titus Catalogues.

To replace a drawer, you should send the defective parts within 30 days after the discovery of the defect to Hardware and Handles:

Hardware and Handles NZ Ltd

51a Matai Street

Taupo

Please enclose a brief explanation of the causes of the defect and a proof of your purchase. We will replace the drawer within 2 months.

In no event, can Hardware and Handles be held responsible for any usage other than that advised in the catalogue, especially with regards to load capacities and fixings as well as use of inferior board or timber. In no case shall Hardware and Handles be held responsible for indirect or consequential damages, loss of production or lack of profit.

These provisions are in addition and not a reduction from the provisions contained in any legal act applicable to the sale of drawers.
